Madrid December 25

My dear Mr. Norman

After a short but painful illness, our beloved mother died the 14 of December at 8 o'clock in the afternoon. Her illness begun by a cold to which we did not give any importance at the beginning, it was followed by a inflammation of the lungs, and at the same time the heart was interested, and this was the cause of her death.

My dear Brother a few days before her illness told me she meant
